בס"ד

Dear Parents,

Congratulations on choosing Soille Hebrew Day School for your family! You are joining a wonderful community of parents, united in our shared goals of providing our children with the best possible foundation for life through strong Jewish values and superior academics. Since opening our doors in 1963, generations upon generations of San Diego Jewish families have chosen to partner with Soille Hebrew Day School. We are honored to educate the Jewish youth of San Diego and proud to have earned the confidence and loyalty of our families!

Now celebrating our 57th year, we are so proud to have a thriving and diverse school community. Of our many accomplishments as a school, our most valued and celebrated achievement is the caliber of young men and women who graduate from our program each year. We find unending pride in our students' empathy for others, academic achievement, strong Jewish identities, appreciation for Torah, love of Israel, and leadership skills, which equip each student to build a brighter tomorrow.

Admission to Soille Hebrew Day School is open to all Jewish children. Not only do our school families represent every approach to Jewish observance but we also come from all corners of the world. Your child will be carefully and individually considered for admission based upon the information which you submit through this application process. Tuition Assistance 2019-2020 & The Preschool Jewish Continuity Scholarship

ד'ט"ט

Tuition Assistance and the Preschool Jewish Continuity Scholarship

The leadership of our school remains committed to ensuring that the Jewish education at Soille Hebrew Day School is available to every Jewish child, regardless of their family's economic standing. Although it is the responsibility of parents to finance the education of their children, we recognize that some families will need Tuition Assistance or a Scholarship to bring tuition within their means. SSDHDS offers Tuition Assistance to qualifying day school families **based strictly on financial need**. Additionally, our donors have established the Preschool Jewish Continuity Scholarship to assist preschool families with financial need who are **committed to keeping their child(ren) at Soille Hebrew Day school through at least 1st grade**. We take great care to ensure that **our Tuition Assistance and Scholarship application process is completely confidential**. The Finance Committee is comprised of discreet Board members whose decisions are not shared with anyone outside of the committee. The Finance Committee makes a concerted effort to responsibly evaluate each Tuition Assistance and Scholarship application and allocate the limited funds in an equitable manner.

Applying For Tuition Assistance or The Preschool Jewish Continuity Scholarship

In consideration of the 2019-2020 school year, SSDHDS will utilize the FACTS Grant & Aid Assessment to conduct a financial need analysis of all Tuition Assistance and Scholarship applications. Families applying for Tuition Assistance or Scholarship will need to complete the online application and submit all the necessary supporting documents to FACTS no later than **February 15, 2019**. Please be aware that this is a FIRM deadline and that **NO Tuition Assistance or Scholarship applications will be accepted after February 15, 2019**, with the exception of new families who begin the admissions process after February 15, 2019. As well, please note that as a part of the Tuition Assistance and Scholarship application, families must provide SSDHDS with a current credit report.

Beginning January 15, 2019, families can apply online at <http://www.factstuitionaid.com>. Once the completed application has been submitted, it will be reviewed by FACTS as well as our own Finance Committee. After reviewing all the pertinent information provided by the parents and FACTS, our Finance Committee will render a decision as to the amount of Tuition Assistance or Scholarship to be offered. Families are notified of their Tuition Assistance or Scholarship award amounts by our Business Manager, Klara Lapp.

SSDHDS cannot guarantee any specific level of Tuition Assistance or Scholarship beyond any single year. Adjustments to Tuition Assistance or Scholarship award amounts from one year to the next can occur because of a change in a family's financial situation and/or adjustments to the school's Tuition Assistance and Scholarship guidelines.
